

Celebrity

British Craftsmanship

Discover Relaxation

Celebrity have over 40 years experience creating quality upholstered furniture and are one of the UK's leading manufacturers of rising/reclining chairs. Every piece of upholstery is specifically designed for comfort and is made using the traditional skills of local craftsmen in our 108,00 square foot factory in Nottinghamshire. All Celebrity furniture comes with a 5 year peace of mind guarantee.

Celebrity recliners can adjust to an almost infinite variety of positions and riser recliners can raise the user effortlessly to their feet, all at the touch of a button. Total recliner comfort is guaranteed, with the choice of up to 4 recliner sizes to allow a perfect sitting position. Each Celebrity collection is available with matching fixed chairs and in most cases, all-action settees, all designed to create the perfect suite.

Safety First Features

At Celebrity safety is always a priority. Powered models* have an emergency battery backup. This will enable one use to return the chair to the desired position in the event of a power cut. Batteries should be replaced after one use or every 12 months. To prevent the unauthorised use of a powered recliner* all Celebrity handsets are detachable making the chair inoperable. In addition, to reduce the risk of accidental entrapment, all Celebrity recliners are fitted with a spring loaded footrest.

*excludes models fitted with an In-chair rechargeable battery and recliners fitted with a power button.

Tested and Recognised

Celebrity Riser Recliners are FIRA tested and meet the British Standard BS EN 8474:2013—the performance standard for rising/reclining chairs. This internationally recognised Standard tests and specifies the safety, strength, stability and durability of the chairs' structure. The certification applies to both Single and Dual Motor Riser Recliners up to a weight limit of 160kg/25 stone. This FIRA certification is further validation of Celebrity's product quality and safety.

5 year guarantee

At Celebrity we are so confident that we have selected the best components to use in our recliners we offer a 5 year guarantee on all products at no extra cost. This guarantee covers the frame, action and motor components including motor, control box, transformer and handset supply leads (excludes accidental damage or mis-use). All other parts carry a full 12 month guarantee against faulty workmanship. For full T&C's please see the Celebrity website www.celebrity-furniture.co.uk or contact us direct.

Enhanced
by Mammoth®

Medical Grade™ Foam Seating Technology

Fabric models only.

With a choice of any Celebrity action, all Celebrity ZipSPEED models are available in Grande, Standard and Petite sizes. The Woburn range has the addition of a Compact sized recliner chair.

There are over 100 Celebrity swatch fabrics and 30 leathers to select from, including the popular Celebrity Aquaclean range and Performance Plus.

Super Fast Delivery

Woburn and Westbury Dual Motor and Cloud Zero Riser Recliner chairs are available on a super fast delivery service in Lucia Camel or Byron Mocha fabric. Ask your Celebrity retailer for availability and further details.

Cloud Zero

3 motor lift and tilt

- An innovative design with enhanced movement
- Infinite positions for enhanced comfort
- 20% more lifting capacity
- Individual seat tilt to aid relaxation
- Seat height adjustment

The Cloud Zero lift and tilt design offers next-level comfort shaped around the needs of every individual.

Highly versatile and capable of offering almost infinite seating positions, allowing individual seat tilt adjustment with the independent seat tilt motor. This advanced rise and recliner helps users achieve greater tilt for ultimate relaxation. Along with the ability to increase your seat height to best suit your required position. Then, when ready to find their feet again, the chair's smooth action will help to return users safely to standing with ease.

This robust and versatile design also offers 20% more lifting capacity (up to 30 stone) and, of course, a 5-year guarantee for added peace of mind.

Customise your recliner

Choose your action

Actions Explained

Manual Recliners

Manual Latch

Manual Handle

All manual recliners are available with either a latch or handle option. Release the latch for the footrest to rise then push gently on the arms and move your back in to the chair to recline the chair back. To return the chair to the seated position sit upright and push the footrest down until it clicks in to position. We recommend that users with limited lower leg strength select from our powered recliner range.

Powered Non Riser Recliners

Power Button

Fitted on powered non riser recliners

Single Motor Recliner Dual Motor Recliner

Within the Single Motor action the footrest raises to its top level, the chair back will then start to recline.

The Dual Motor Recliner action allows the footrest and the chair back to be operated independently to create your perfect sitting position.

Sandhurst Legged Recliner chairs are available either as a Manual Recliner (push on chair arms to recline) or powered Single Motor Recliner (Power Button operated only).

Powered Riser Recliners

Handset

Fitted as standard on all powered riser recliner models

Celebrity handsets have a handy reset button that will bring the chair back to the seated position.

Single Motor Riser Recliner*

The Single Motor action allows the footrest to raise to its top level, the chair back will then start to recline. The rising action will tilt the chair to enable the user to alight or access the chair with ease.

Dual Motor Riser Recliner*

The Dual Motor action allows the footrest and the chair back to be operated independently to create your perfect sitting position. The rising action will tilt the chair to enable the user to alight or access the chair with ease.

Cloud Zero Riser Recliner*

The Cloud Zero 3 motor Rise and Recliner action in addition to the Dual Motor Riser Recliner movements, allows individual seat tilt adjustment, offering almost infinite seating positions for the ultimate in relaxation. When raised, the tilt motor relieves all the pressure on the user's legs and allows them to stand with ease.

* All Celebrity Single Motor, Dual Motor and Cloud Zero Riser Recliners qualify for Zero VAT rated where appropriate. Please ask your Celebrity retailer or refer to the government website for more details.

Mammoth Medical Grade™ foam technology

Sit more comfortably for longer

Enhanced by Mammoth® 

Mammoth's naturally cooling Medical Grade™ foam is proven to relieve pressure, deliver postural support and regulate temperature. That means greater comfort, fewer aches and pains, and faster recovery.

There's no other seating technology available in the consumer market that supports recovery, rehabilitation and relaxation in this way.

Mammoth's Pedigree

Health award winners

Our technologies originate from UK healthcare and have been highly commended for pressure relief and postural support.

Leaders in innovation, testing and product design

Designed and developed in partnership with the UK's leading experts and institutions.

Official partners with the Chartered Society of Physiotherapy

Backed by the UK's largest community of therapists and loved by health professionals.

Proven to perform

In independent material tests, Mammoth's technologies were shown to offer:

69% Faster Cooling¹

47% Greater Pressure Relief²

¹ Independently tested by SATRA, Global leaders in scientific research and testing of consumer products under laboratory conditions.

² Independently tested by industry experts against leading healthcare beds. Tested against 50KG memory foam.

Mammoth's integrated Medical Grade™ foam cushion features PostureCell™ Technology with cooling air channels.

Together, these innovations:

- Improve ease of movement
- Increase pressure relief, support and circulation
- Relieve pain and discomfort
- Reduce risk of falling and injury
- Help prevent hip locking when sitting/standing

Mammoth Medical Grade™ Foam Seating Technology is fitted as standard in all* fabric Canterbury, Regent, Sandhurst, Somersby, Westbury and Woburn chairs and settees.

*Excludes Leather and Legged models.

Enhance your recliner

Adjustable Headrest

- Option available on all sizes of Canterbury, Newstead, Sandhurst, Somersby, Westbury and Woburn Dual Motor Riser Recliners and Cloud Zero 3 Motor Riser Recliners (handsets only).
- Includes ZipSPEED Delivery.
- Suitable for fabric and leather models.

Safety Feature

The adjustable headrest is push only motor assisted and spring loaded. For the headrest to return to the fully closed position you need to be seated in the chair. This safety feature helps prevent trapping when closing the headrest.

Factory fitted In-chair rechargeable battery option

- The TBB3 In-chair factory fitted rechargeable battery is compatible with all Celebrity new powered models.
- One charge will allow between 50 and 100 cycles depending on the action and user's weight
- Discreet charging point.
- Available on ZipSPEED models.

Always charge the battery fully before the first use. This should take around 4 hours.

TBB3 Rechargeable Battery Pack

This handy rechargeable battery pack is a popular addition to enable the chair to function without a trailing cable to a wall socket. The TBB3 rechargeable battery pack is compatible with Celebrity powered models and one charge will allow between 50 and 100 cycles depending on the action and user's weight.

Performance PLUS

Specially designed fabrics for added protection

All of the Performance Plus ranges are

- **Easy Water Cleaning**
Special fibres within the fabrics prevent dirt from penetrating the fabric.
- **Water Repellent**
Protecting the fabric by effectively preventing spilled liquids from being absorbed and leaving drops on the material's surface.

All exceeding severe contact which is 40,000 Martindale
Whyburn 40,000 Martindale

Avon 90,000 Martindale

Derwent 50,000 Martindale *also is a Pet Friendly Fabric

Sandhurst: Fabric Avon Silver

Celebrity Aquaclean fabric range

Recommended fabrics for living with a pet*

Fabric: Celebrity Aquaclean Alpine Russet

*The Celebrity Aquaclean Alpine fabric is from the Aquaclean Extreme collection, recommended for homes living with a pet. These fabrics are not indestructible, but they do help prolong your chair or sofas lifespan.

The Celebrity Aquaclean range is available on all models. Aquaclean® technology is a revolutionary fabric treatment that allows you to clean stains using water only. This provides you with simple fabric maintenance in the minimum amount of time.

aquaclean®
fabrics for living

Fabric: Celebrity Aquaclean Atlas Rose

Celebrity Aquaclean Alpine Rainbow

The Celebrity Aquaclean Alpine range contains a high percentage of recycled materials and is certified by the Global Recycled Standard (cert No.2019-153).

All Celebrity Aquaclean fabrics have Safe Front®, providing added protection from viruses and bacteria. Aquaclean components also limit the penetration of viruses and bacteria into the fabric. Safe Front® protects against mites and prevents proliferation. This totally eco-friendly shield helps to prevent agents that cause most types of allergies.

Safe Front® reduces bacterial activity by 99.9% after 24 hours.

Additional options

Celebrity 10 motor massage system

Available on all Celebrity Riser Recliners

Massage Benefits

- Manual selection of 5 separate massage areas.
- 3 pre-set programmes.
- WAVE function for a full top to toe massage.
- Heat pad offers gentle warmth to lower back.

This 10 motor massage system incorporates a colour LCD handset display making it easy to operate and control.

Please note that anyone with a medical device (e.g. pacemaker) or medical condition must consult their doctor/healthcare professional before purchasing a massage system.

Recliner Glides

Glides are available as an alternative to castors to help reduce movement on hard surfaces.

Swivel
360° motion

360° Swivel Motion available on all Manual Recliners

We believe that unrestrictive movement is the secret to total comfort so as well as making reclining easy and natural we have added the option of a 360° rotation swivel base on our Manual Recliner chairs.

Matching Footstools

Storage and legged footstools are available in any Celebrity fabric or leather.

Arm Protectors

Arm protectors to match every recliner model are available in any Celebrity fabric. Please specify the model, size and fabric when placing the order.

Matching Neck Pillow

Available in all Celebrity fabrics and fine leathers.

Comfort Accessory Pack

A money saving Accessory Pack is also available, consisting of a pair of arm protectors, lumbar cushion and a chair back protector.

Dimensions

DIMENSIONS: All dimensions are approximate and quoted in millimetres & inches. Allow a minimum tolerance of +/- 0.5" (c13mm) on each dimension quoted. Seat depth measurements can vary by up to 51mm (2.0"), depending on position of the pillow back. All chairs are measured closed. Dimensions will alter slightly after use.

NOTED: 1.2 and 3 seat reclining settees are 51mm (2.0") wider than the quoted figures in both chair and seat width dimensions. 2.2 and 3 seat reclining settees are 25mm (1.0") deeper in the seat depth dimensions.

BRITISH STANDARDS: All Fabrics & Leathers have passed exacting performance tests and meet the relevant requirements of the Furniture & Furnishings (Fire) (Safety) Regulations 1988 & conform to BS 5852 parts 0 & 1 (cigarette and match tests).

COVERS: The covers specified meet the requirements of Schedule 4, Part 1 and Schedule 5, Part 1 of the Furniture & Furnishings (Fire) (Safety) Regulations 1988 S.I No.1324.

FILLINGS:

Seat: Combustion modified foam and non foam fillings meet the requirements of Schedule 1, Part 1 and Schedule 2, Part 1 of the Furniture & Furnishings (Fire) (Safety) Regulations 1988 S.I. No.1324 using the specified requirements of BS 5852 Part 2: 1982.

Back: Combustion modified foam and non foam fillings meet the requirements of Schedule 1, Part 1 and Schedule 2, Part 1 of the Furniture & Furnishings (Fire) (Safety) Regulations 1988 S.I. No.1324 using the specified requirements of BS 5852 Part 2: 1982.

As part of our policy of continuous improvement we reserve the right to alter any specification as and when necessary.
