

Harrison Spinks

The True Bedmakers

BED TAILOR TURN FREE COLLECTION

So confident are we about the performance of our springs that we are able to make a mattress that doesn't need turning. Sumptuous natural fillings are carefully layered above our innovative spring systems to provide targeted support close to the single sleeping surface and deeper support at the mattress core.

Offering all the luxurious comfort and support you'd expect from a Harrison Spinks mattress without the need to turn it with the seasons.

FIJI

Mattress: Fiji Headboard: Boston Base: True Edge Base Fabric: Lovely Slate

With layers of blended viscose and British wool, home-grown hemp and flax, crisp cooling Egyptian cotton and sustainable Ecotex. The Fiji has 8250 innovative springs; including 100% recyclable advanced Cortec™ Quad pocket springs, pressure relieving HD 4000 and HD 2500 Micro springs and Posturfil pocket springs for targeted support. With an in-house woven FR chemical free mattress cover and three rows of side stitching, this mattress is turn free for your convenience. Choose from our three levels of support; gentle, medium or firm.

Harrison Spinks is a fifth generation family bedmaker, handcrafting premium luxury mattresses since 1840 and is one of Great Britain's most established, innovative and sustainable bed manufacturers.

All our mattresses are 100% foam, glue and FR chemical treatment free and fully recyclable – better for a healthy sleep and kinder to the planet.

Here at Harrison Spinks we are changing the way the world sleeps.
