

Fairford Range

CORNDELL

Living & Dining

Beautifully crafted, with grand styling, The Fairford range is uncompromisingly bold. The design of the cabinet and the tables has strength, style and a timeless finish made by the very best of craftsmen.

The solid oak and oak veneers are hand finished in a light oil and the strong look is enhanced by the burnished cup handles. The classic ladder back chairs feature fabric seat pads.

To ensure durability our products are made from a combination of selected solid wood and veneered panels. A characteristic of wood is its natural imperfections such as small knots, cracks, blemishes and slight colour variation. These features are a natural part of any real wood product and make each piece of furniture unique. Our policy is one of continual improvement. We therefore reserve the right to alter designs, dimensions, availability and price without prior notice. All dimensions in this brochure are believed to be correct at the time of printing, but may subsequently vary. Imperial measurements are rounded to the nearest quarter or half inch, and metric measurements are rounded to the nearest 5 or 10mm. Colours are as accurate as the printing process allows.
