About us

One-Call is all it takes to guarantee great furniture, stylish design, affordable prices and delivery within an unbeatable time scale.

Launched in 2003 our business initially focused on creating bedroom furniture ranges that would appeal to a broad variety of tastes and budgets.

More recently we have begun developing lounge furniture resulting in some beautiful pieces, which is very exciting for us and our customers.

At the same time, our state-of-the-art machinery now allows us the flexibility to manufacture bespoke pieces in accordance with our customer's specific needs.
