

Fine British Furniture

Relax is an experienced British Furniture Manufacturer, at our High Wycombe Factory we use only the finest materials with timbers sourced from the managed forests of Europe, ensuring each piece of furniture will stand the test of time.

You can choose from a large selection of fabrics and from eight wood finishes which can be viewed at your local stockists.

All foams, fillings and fabrics used in our furniture conform to the current safety requirements, Furniture and Furnishings (Fire Safety) Regulations 1988.

- Quality British furniture
- Solid beech frames
- Mortice and tenon joints
- 8 wood finishes
- Large selection of fabrics
- Supreme comfort with firm or soft seat options
- Available in 2 seat sofas

With the majority of our show wood chairs you can select:

- Standard seat height
- High seat
- Standard back height
- High back
- Firm sit cushion
- Soft sit cushion

There are also 2 seat sofa options available for you to create a suite suitable for lounge or conservatory.

For a truly cottage suite with spindle wood backs we have the:

- Cambourne range
- Dorchester range
